## MACGREGOR 26 M

### Buying a MacGregor 26M Power Sailer

As sole authorised dealer for the import of the New Zealand MacGregor 26, Haven Yachts offer the following three fit-out options: all these options are improved and extended on the basic factory boat which is only for sale in the USA.

One major improvement over the standard MacGregor is our improved steering linkage mechanism which removes the slack and play in the ex-factory model.

#### Container Boat

**MacGregor 26M Container Boat Specification**     **\$53,000**      *Plus GST*

With aluminium disc braked trailer and a White Hull. Mainsail, roller furling jib and jib equipment, 6 to 1 vang, mast raising system, manual bilge pump, compass with light, cockpit seat cushions, stern safety rails and lifelines, boarding/swim ladder, cabin top hand holds, outboard connection kit, sunshade/bimini, mainsail, pedestal and winch covers, 12 volt battery.

This boat comes with the comprehensive owners manual which is easy to follow and explicit for self assembly and commissioning. No MacGregor warranty.

For optional extras please refer to the order and optional extras form.

#### Standard Boat

**MacGregor 26M Standard Specification**     **\$61,000**      *Plus GST*

Assembled, rigged and commissioned by Haven Yachts NZ Ltd. and complete with 2 year MacGregor warranty. This includes all of the items as above and: Topping lift, winch handle pocket, mainsail halyard cleat, hatch handle, keel guard, all transport bungee cords, mooring line, water ballast valve extension handle, mast head wind indicator, tie downs for fuel tank, sail ties, base shroud covers, mainsail slugs for ease of hoisting and lowering, ultraviolet protection strip on jib, all trailer alterations, lighting board to comply with NZ

LTSA Regulations, mud flaps, reversing lock tab, safety chain from trailer to bow "D" ring, trailer to vehicle safety 'break away' rated chains, 12 month registration and WOF, rear wobbly rollers on rear fitted guide posts, non-slip tape on tow bar and ladder. Sailing lesson, "shake-down" and hand-over.

For optional extras please refer to the order and optional extras form.

#### Tow-away/Sail-away Boat

**MacGregor 26M Ready to Go: Boat Specification**     **\$75,000**      *Plus GST*

Specification additional to Standard boat: 50HP Yamaha 4-stroke fuel injected outboard motor, high thrust long shaft, with heavy duty gear box and 13" prop, flush mounted remote control, 5 gallon fuel tank, spare wheel rim and bracket, forward guide posts with wobbly rollers and connecting cross member for strength, VHF radio c/w aerial, marine radio/CD player, Ray Marine bi-data depth/speed log, second battery

with VSR dual battery panel, 19 litre Portaloo, 12 US gallon fuel tank, 2 x 12 Volt outlet sockets, fire extinguisher, horse shoe lifebuoy, anchor and chain.

For optional extras for this option please refer to the order form.

ALL OPTIONS ARE PRICED EX- CHRISTCHURCH.
